

## RAILWEAR

**ABT4002 Switchwear Gauge (Standard)**

PADS No: 0057/048778

**ABT4003 Switchwear Gauge (Folding)**

### Technical Data

Checks lateral wear of stock rail

Checks wear of rail within planning length

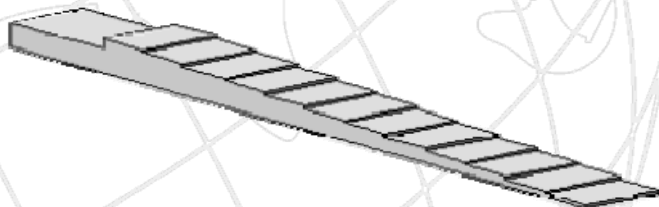

Constructed from non-conductive GRP and Nylon 6 with stainless steel

**ABT3002 Stepped Batter Gauge**

### Technical Data

PADS No: 0039/029731

Range - 0.5mm to 7.0mm

**ABT4592 Switch Radius Gauge (Pac Man)**

PADS No: 0057/075501

### Technical Data

Use gauge to determine radii of less than 6.0mm especially on switch rail tips
